

BEER FOR A BETTER WORLD

Roundtable with
Peter Eckert and David Griedelbach
CEOs of Quartiermeister, Berlin

Picture: Tagesspiegel

Please join Peter Eckert and David Griedelbach, CEOs of Quartiermeister, for a roundtable discussion on so-called "sociable social entrepreneurship."

Quartiermeister is a beer that works for the benefit of the community. The small business wants to show that doing business in an ecologically, economically, and socially sustainable manner works and create awareness for alternative products and correct consumption.
