# AN AMERICAN TEACHER IN A GERMAN CLASSROOM

ROUNDTABLE DISCUSSION  
with  
KATIE PROTANO

Please join us for a roundtable discussion on the transatlantic experience of teaching with ASL Language & American Society Education Coordinator, Katie Protano.

As an American, Ms. Protano spent a Fulbright year as a teacher at the Rainer-Werner-Fassbender Fachoberschule für Sozialwesen in Munich.

While working closely with young students and teaching various classes, she had the chance to learn about the differences and similarities between the German and American classroom.
